NOTE: Eighty-four of JUF's 87 board members are independent, voting members. Of the three members who are not independent, Skip Schrayner and Josh Daitch each has a financial interest in a firm that does business with our organization, and Richard Wexler has a family member who works for our organization. In accordance with our Conflict of Interest policy, these relationships have been disclosed to the full Board of Directors, and the conflicted members do not participate in the discussion or vote on any matters where their conflict may be an issue.
