The Young Leadership Division of the Jewish United Fund/Jewish Federation of Metropolitan Chicago is committed to building a better Jewish community in Chicago, Israel, and throughout the world. We achieve this mission by raising funds for JUF's agencies and initiatives, and by offering a variety of educational and social events for young adults between the ages of 22 and 40ish.

Last year, JUF raised over \$80 million to support essential social welfare, educational, cultural, medical and relief programs for 300,000 people of all faiths here in Chicago and for two million Jews in Israel and 65 countries around the world.
