The Centennial Campaign

For over 100 years, the Jewish Federation has provided health and human services to those in need. In honor of its Centennial anniversary, the Federation embarked on The Centennial Campaign, a capital and endowment campaign that anticipates community needs in the decades to come.

Together, the Federation and its affiliated agencies and beneficiaries have selected a wide range of projects that address the evolving needs of a diverse community, offering contributors an opportunity to make a meaningful gift at many levels.

The names of qualifying Centennial Campaign donors will be engraved in stone on The Centennial Wall in the Jewish Federation’s lobby, echoing the beauty, history, and meaning of the walls of Jerusalem.

The Centennial Campaign offers a variety of gift-planning opportunities:

- **Centennial Projects** provide donors the opportunity to fund high-priority capital or programmatic initiatives. These include special naming opportunities.
- **Campaign Continuity Funds** sustain a donor’s annual gift to the Jewish United Fund in perpetuity, providing crucial support for Federation initiatives, at home and abroad, today and for generations to come.
- **Legacy Funds**, the most flexible of the Centennial gifts and the only source of emergency resources, enable the JUF/Federation to respond to crises and opportunities whenever and wherever they occur.
- **Agency and Day School Endowment Gifts** ensure that the network of services that are the lifeblood of our community will be available to future generations.
- **Income for Life Funds** provide a donor or his/her loved ones with income payments throughout their lifetimes and sustain the Jewish community for future generations.

Federation’s experienced gift-planning professionals will be pleased to discuss the tax-advantaged ways to structure a Centennial Campaign charitable gift with you and your advisers. For more information, please call (312) 357-4853 or email: legacy@juf.org.

Donor Advised Program

Deciding how to meet charitable obligations can be confusing and overwhelming. The Jewish Federation’s Donor Advised Program can help by reducing the complexity and paperwork associated with charitable giving, allowing donors to focus on their philanthropic goals and values.

Through these opportunities donors can build a lasting testament to their names, families and the causes they hold most dear. It’s a legacy that will carry on l’dor v’dor, from generation to generation.

Donor Advised Funds

Donors may establish a Donor Advised Fund in their names or in honor of a loved one with a $1,000 minimum contribution. The fund earns tax-free income while the donor recommends distributions to any approved public charity - secular and religious.

Supporting Foundations

Individuals, corporations or families who commit substantial resources to philanthropy may establish a Supporting Foundation affiliated with the Jewish Federation. Functionally similar to a private family foundation but with more attractive benefits, a Supporting Foundation operates under a board of directors jointly appointed by the donor and Jewish Federation and enables the donor to engage future generations, fulfilling a philanthropic vision.

Distributions for the fiscal year ended June 30, 2013 were: $55,761,702

During the fiscal year ended June 30, 2013, Federation Donor Advised Continuity Funds distributed $55,761,702 to various charities. The monies allocated to these charities came from 842 supporting foundations, donor advised funds, and special interest funds of the Jewish Federation.

Distributions made from the Donor Advised Program are based upon the recommendations and advice of the donors. These foundations and funds provide the donors and their families the opportunity to participate in the distribution of charitable grants in cooperation with the Jewish Federation. The donors are also ensured that their charitable activities will continue beyond their lifetimes, while enjoying the maximum tax benefits in the current year.
We are grateful to the following who have established Donor Advised Continuity Funds and also to those who have requested anonymity.

The Jewish Federation and Jewish United Fund gratefully recall those — may their memory be a blessing — who have left the posthumous mark of their compassion upon our community through a bequest to the Jewish Federation or Jewish United Fund during the preceding year.

During the year ended June 30, 2013, the Jewish Federation and Jewish United Fund were advised of the following bequests. The farsighted and dedicated people making these gifts have fulfilled their commitment to ensure the future welfare of the Jewish community in Metropolitan Chicago, Israel and throughout the world. Money received from these bequests is added to the Federation Endowment Fund. The income produced by the Endowment Fund will provide over $7,038,954 million to the support of our agencies during the coming year.
