The economic downturn has had a profound, unprecedented impact on our community and has transformed the face of need and human service delivery in the Chicago area. This new reality is reflected in the focus of the Jewish Federation of Metropolitan Chicago’s 2009 Annual Report, which highlights our system’s response to the recession rather than providing a more usual and comprehensive overview of the wide-ranging local services Federation continues to provide to the community.

Mindful of our impact on the environment and to maximize available funds for direct services, the Jewish Federation is publishing this Annual Report electronically at www.juf.org.

**Answering the Call**

This has proven to be a most challenging time for our community, which was caught in the perfect economic storm that engulfed our nation in 2009. The stock market went on a roller coaster ride the likes of which this country has not seen in decades. Home values plummeted and unemployment rates soared. This confluence of events led to an exponential increase in people seeking emergency assistance from our JUF/Federation-funded agencies at the same time as our system was stretched to provide it.

Senior citizens on fixed incomes, single parents and working poor families were devastated. Middle-aged bread earners lost their jobs, their health insurance and even their homes. Wallets that once held credit cards now held food stamps. The number of suicide attempts soared. Families who had never in their lives had trouble making ends meet streamed into our agencies for help with basic necessities—housing, utilities, medicine and groceries. Our food pantries were emptied on a daily basis and needed constant replenishing. The community cried out for additional help.

JUF/Federation responded with J-HELP: A Boost in Tough Times, an 18-month initiative launched in fall 2008 and funded through the reallocation of Federation resources and supplemental gifts from major donors. J-HELP’s charge: to help our affiliate agencies better address the emerging needs of newly-unemployed, financially stressed middle-class individuals and families while continuing to assist the chronically disadvantaged.

In the aggregate, in 2009 JUF/Federation allocated more than $22 million to provide for the basic needs of the most vulnerable members of our community, and the J-HELP initiative enabled us to provide an additional $2.7 million in three focused areas: 1) emergency relief—food, rent, mortgage, utility and health care assistance; 2) expanded access to social services; and 3) support to individuals and families to maintain access to Jewish life.

These extra J-HELP funds:

- expanded emergency financial assistance at Jewish Child & Family Services (JCFs), the ARK, the Chicago Chesed Fund, CJE SeniorLife, the Dina & Eli Field EZRA Multi-Service Center and Federation’s South Suburban office;
- provided additional rabbinic discretionary funds to local synagogues throughout the metropolitan area for rabbis to distribute to families in crisis;
- stocked community food pantries and boosted meal programs at Maot Chitim, the JUF Uptown Café, JCFS, EZRA, the ARK and CJE SeniorLife;
- augmented employment services at Jewish Vocational Service (JVS) and its Jewish Employment Network (JEN) program, and greatly expanded JVS job placement offerings for disadvantaged seniors and teens who must work to help support their families;
- bolstered financial counseling and money management programs at JCFs, JCFS, EZRA, the ARK and CJE SeniorLife;
- increased access to pharmacy assistance at Touhy Health Center, the ARK and EZRA;
- helped launch a Disability Navigator program for parents of children with disabilities to improve their access to subsidized or state-funded services;
• extended scholarship dollars to financially-strapped families for Jewish day camps, including Jewish Community Center (JCC), Ramah, Gan Israel, Pirchei & Bnos Day Camps and Nathan and Shirley Rothner ATT Summer Program, plus scholarships for Federation Israel Experience programs and additional scholarship aid for needy students attending 16 local Jewish Day Schools.

J-HELP’s supplemental assistance is only one component of the wide-ranging social services funded by JUF/Federation. All told, during the fiscal year ended June 30, 2009, the Jewish Federation of Metropolitan Chicago allocated a total of $52,729,082 to local agencies and programs that benefit 300,000 Chicagoans of all faiths at every stage of life. At a time when many institutions in the non-profit world were beginning to founder, we were pleased and proud to provide all of our affiliate and beneficiary agencies with increases in their allocations of up to 3%.

In partnership with our Donor Advised Continuity Funds, which include Family Philanthropic Funds and Support Foundations, an additional $50,934,655 was allocated to charitable ventures worldwide. Through the Jewish United Fund (JUF) and Israel Emergency Campaign, another $38,578,707 was devoted to overseas needs, benefiting 2 million Jews in Israel and 65 countries across the globe. This aid was crucial at a time of burgeoning global anti-Semitism. Our assistance also was essential on the ground in Israel, as—horribly—2009 began with Israel once again at war. JUF dollars provided emergency services to address the increased humanitarian and trauma-related needs of Israeli children and other civilians under fire.

Unfortunately, the year’s dramatic increase in human needs was coupled with an equally dramatic decrease in available resources. Thankfully, this institution was unscathed by the Madoff Investment Securities scandal due to our stringent investment policies. However, in 2009, government funding was slashed, endowment distributions plunged after investment income plummeted, and many loyal donors to the JUF Annual Campaign found themselves unable to give because they were in need themselves.

The true character of a community reveals itself in a time of crisis, and Chicago’s Jewish community has been nothing short of extraordinary. This is a community that understands how unprecedented need requires unprecedented generosity, as was demonstrated by the tremendous success of the 2008 JUF Annual Campaign, which—despite the economic storm clouds that gathered at the end of 2008—raised a record $83.8 million. Community members have counted their blessings, opened their hearts and opened their checkbooks. There are countless stories of our donors making personal sacrifices to provide for our neighbors in need, and we are truly grateful. It is their generosity that allowed us to begin 2009 in a position of strength and to serve more people in crisis.

It is our hope that as the calendar year comes to a close, the economy will improve and this community’s spirit of generosity will similarly lift the level of the 2009 JUF Annual Campaign and other Federation’s resources to meet the high threshold of community needs. Meanwhile, however, our resources are not sufficient to meet the needs today.

JUF/Federation has always run a lean machine, which is just one expression of the seriousness with which this organization takes the community’s trust; combined fund raising costs are less than a nickel of every dollar. However, once the extent of the economic crisis became clear, the first thing we did was cut our own budget by $2.2 million, almost 9%. Reluctantly, we now have reduced allocations to our community agencies and schools by an average of 6.5% for the first half of the coming fiscal year. It is our hope that we will be able to provide them with increased allocations for the second half of the fiscal year.

In the interim, in addition to providing supplemental J-HELP funds, we are working to provide further support to our agencies and schools by aggressively pursuing grants from private funders, as well as government dollars at the federal, state and local levels.

This is a time for determination and courage, for unity and sacrifice, and our community will rise to the occasion. The confluence of events also underscores the importance of our JUF/Federation system, which is uniquely positioned to respond in such times of emergency through our network of human service agencies. We have no doubt that Chicago’s Jewish community, its institutions and its people will come through these tough times in a position of strength.
During the fiscal year ended June 30, 2009, the Federation allocated a total of $52,729,082.

The report on the following page shows the service areas to which those allocations were made, as well as the sources of funds. The figures in this report are before audit since the annual audit is now in progress.

The United Way allocated $1,842,575 for the 2008-09 year and we are most appreciative of their understanding and continued generous support.

The Conference on Jewish Material Claims Against Germany awarded Federation $1,017,704 for Holocaust Community Services, a joint project of Federation, Council for Jewish Elderly and Jewish Child & Family Services. Each quarter, an average of 597 aging survivors received critical support, including counseling, advocacy and concrete services such as home-delivered kosher meals, adult day services, transportation assistance and personal care.

The State of Illinois awarded $7,439,780 to Federation for the conduct and administration of the Refugee Social Services Programs across Illinois, the statewide citizenship initiative and other programs. More than 3,000 clients received refugee social services administered by the Jewish Federation of Metropolitan Chicago through 11 participating social service agencies.

We received other income of $11,997,757–primarily generated by Endowment Funds. This is a significant portion of the total budget needs which is made possible by generous men and women who, over the years, have remembered the Federation in their wills.

The principal source of funding for the Federation is the Jewish United Fund of Metropolitan Chicago. We wish to express our gratitude and appreciation to each of you for your generous support of the Jewish United Fund. Your contributions make possible the vital humanitarian services of Federation and its agencies for tens of thousands of people throughout the community.

Respectfully submitted,

Harry Seigle

For over 100 years, the Jewish Federation has provided health and human services to those in need. In honor of its Centennial anniversary, the Federation embarked on the Centennial Campaign, a capital and endowment campaign that anticipates community needs in the decades to come.

Together, the Federation and its affiliated agencies and beneficiaries have selected a wide range of projects that address the evolving needs of a diverse community, offering contributors an opportunity to make a meaningful gift at many levels.

The names of qualifying Centennial Campaign donors will be engraved in stone on a newly constructed Centennial Wall in the Jewish Federation’s new lobby. Echoing the beauty, history, and meaning of the walls of Jerusalem.

The Centennial Campaign offers a variety of gift-planning opportunities:

- **Centennial Continuum Projects** provide donors the opportunity to make a meaningful gift at many levels.

- **Income for Life** Continuum Funds provide a donor or his/her loved ones with income payments throughout their lifetimes and sustain the Jewish community for future generations.

- **Campaign Continuity** Funds sustain a donor’s annual gift to the Jewish United Fund in perpetuity, providing crucial support for Federation initiatives, at home and abroad, today and for generations to come.

- **Endowment Funds**, the most flexible of the Endowment gifts and the only source of emergency resources, enable the JUF/Federation to respond to crises and opportunities whenever and wherever they occur.

- **Agency and Day School Endowment Gifts** ensure that the network of services that are the lifeblood of our community will be available to future generations.

- **Income for Life** Continuity Funds provide a donor or his/her loved ones with income payments throughout their lifetimes and sustain the Jewish community for future generations.

Federation’s experienced gift-planning professionals will be pleased to discuss the tax-advantaged ways to structure a Centennial Campaign charitable gift with you and your advisers. For more information, please call (312) 357-4853.

The monies allocated to these charities came from more than 875 supporting foundations, philanthropic funds, and special interest Continuity funds of the Jewish Federation.

The donors are also ensured that their charitable activities will continue beyond their lifetimes, while enjoying the maximum tax benefits in the current year.

**DONOR - ADVISED PROGRAMS**

Deciding how to meet charitable obligations can be confusing and overwhelming. The Jewish Federation’s Donor-Advised Funds can help by reducing the complexity and paperwork associated with charitable giving, allowing you to focus on your philanthropic goals and values.

Through these opportunities you can build a lasting testament to your name, your family and the causes you hold most dear. It’s a legacy that will carry on l’dor v’dor, from generation to generation.

**Donor Advised Funds**

Establish a Donor-Advised Fund in your name or in honor of a loved one with a $1,000 minimum contribution. The fund earns tax-free income while you recommend distributions to any public charity - secular and religious. Bequests to the Jewish Federation of Metropolitan Chicago are more important now than ever before.

**Supporting Foundations**

Individuals, corporations or families who commit substantial resources to philanthropy may establish a Supporting Foundation affiliated with the Jewish Federation. Functionally similar to a private family foundation but with more attractive benefits, a Supporting Foundation operates under a board of directors jointly appointed by the donor and Jewish Federation and enables the donor to engage future generations, fulfilling a philanthropic vision.
We are grateful to the following who have established Donor Advised Continuity Funds and also to those who have requested anonymity.

The Jewish Federation and Jewish United Fund gratefully recall those -- may their memory be a blessing -- who have left the posthumous mark of their compassion upon our community through a bequest to the Jewish Federation or Jewish United Fund during the preceding year.

During the year ended June 30, 2009, the Jewish Federation and Jewish United Fund were advised of the following bequests. The farsighted and dedicated people making these gifts have fulfilled their commitment to ensure the future welfare of the Jewish community in Metropolitan Chicago, Israel and throughout the world. Money received from these bequests is added to the Federation Endowment Fund. The income produced by the Endowment Fund will provide over $10 million to the support of our agencies during the coming year.

Suggested Language for Bequests

• I give $________ (or specified property) to the Jewish Federation of Metropolitan Chicago as an unrestricted gift.

• I give $________ (or specified property) to the Jewish Federation of Metropolitan Chicago as a Campaign Continuity Fund, the income there-from to be distributed solely on an annual basis to the Jewish United Fund Annual Campaign.

• I give $________ (or specified property) to the Jewish United Fund of Metropolitan Chicago as an unrestricted gift.

• I give $________ (or specified property) to the Jewish Federation of Metropolitan Chicago to be held for the benefit of ______________, (one of our agencies, programs or describe a special field of interest).

There are many planned giving options available to make gifts to the Jewish Federation and Jewish United Fund. For information, please contact (312) 357-4853 or legacy@juf.org
These remarkable leaders have distinguished themselves by the depth and breadth of their commitment to Jewish communal needs. They are the founders of our past and an inspiration for our future.
