Dietary laws observed.

Dr. Nancy Snyderman became the Chief Medical Editor for NBC News in September 2006. Her reports appear on Today, NBC Nightly News, MSNBC and Dateline NBC. She also hosts MSNBC weekday show, “Dr. Nancy.”

Additionaly, Snyderman serves as Associate Professor of Head and Neck Surgery at the University of Pennsylvania.

Snyderman reports on wide-ranging medical topics and has traveled the world extensively. She recently volunteered her medical expertise in Haiti, where she also reported on the tragedy, the rescue and the recovery, highlighting the exceptional work of the Israeli team of doctors and volunteers.

Prior to joining NBC, Snyderman served as VP of Consumer Education for Johnson & Johnson, educating the public about health and medicine. Before that, Snyderman served as the medical correspondent for ABC News for 17 years and contributed to 20/20, Primetime, and GMA. Dr. Snyderman co-founded BeWell.com, an online health network.

Snyderman attended medical school at the University of Nebraska and continued with residencies in Pediatrics and Ear, Nose and Throat Surgery at the University of Pittsburgh.

A New York Times best selling author, Dr. Snyderman is the author of five books: Dr. Nancy Snyderman’s Guide to Good Health for Women Over Forty, Necessary Journeys, Girl in the Mirror: Mothers and Daughters in the Years of Adolescence, Medical Myths That Can Kill You and Diet Myths That Keep Us Fat.

Dr. Snyderman lives in Princeton with her husband and three children.
