

TA'AM YISRAEL 2020
TRIP CANCELLATION CONTRACT

Jewish United Fund of Metropolitan Chicago Education ("JUF") maintains trip cancellation insurance for all participants in the Ta'am Yisrael program (the "Program"). This insurance protects the monetary investment in the Program made by the families of the participants and by JUF. In the event that the trip cancellation policy or trip interruption portion of the policy is exercised, all claims will be paid from the travel insurance policy provider back to JUF. JUF will then determine what portion, if any, of those funds will be distributed to the family, and these monies, if any, will be paid to the family only after they have been collected from the insurance carrier.

Please note: Refunds that require submitting claims to JUF's travel insurance provider (e.g., last-minute cancellation due to illness or injury, or change in an individual's travel plans due to illness or injury during the trip) will be made only if and to the extent that JUF receives funds from the trip cancellation insurance company.
