

The CENTER for JEWISH PHILANTHROPY
2024 YEAR IN REVIEW

ABOUT THE CENTER FOR JEWISH PHILANTHROPY

JUF's Center for Jewish Philanthropy is dedicated to making your family's charitable giving simple, effective and meaningful. With extensive resources and expertise to help guide you, we are here to help you and your family explore your personal philanthropic interests and maximize the impact of your charitable dollars.

Through the Center for Jewish Philanthropy, the Jewish United Fund/Jewish Federation of Chicago manages the charitable interests of thousands of individuals and their families, each year helping to grant millions of dollars to important work in communities around the world.

We do this through Donor Advised Funds and Family Supporting Foundations.

- **DONOR ADVISED FUNDS** are easy-to-use charitable giving accounts that allow donors to recommend grants to charities.
- **FAMILY SUPPORTING FOUNDATIONS** are independent, nonprofit corporations that allow families to engage in strategic, multi-generational philanthropy. Supporting Foundations enjoy tax and other regulatory benefits not afforded to private foundations. Our staff is available to provide guidance and assistance to each family that establishes a Supporting Foundation with us.
